

BEFARD WAGON UR
ELECTRIC TRANSPORTER

ELECTRIC TRANSPORTER WAGON UR 600/ UR 800

BEFARD WAGON UR Completely designed and made in Poland, irreplaceable in work related to the transport of heavy loads. Ecological electric power was used. An additional advantage of this solution is the quiet operation of the device.

BEFARD WAGON UR It is used for transport and towing loads. We have a wide offer additional equipment. Thanks to the well-thought-out design, the accessories can be changed quickly and easily. All BEFARD products are CE certified, which means that our products comply with the EU machine directives.

ADVANTAGES OF AN ELECTRIC TRANSPORTER

- performance
- ergonomics
- eco-friendliness
- agility
- easy-to-use
- greater security
- low operating costs
- does not emit harmful exhaust fumes
- does not generate harmful noise
- relieves the musculoskeletal system
- wide range of optional equipment
- possibility to work inside and outside buildings
- personalizing the device for the customer

THE DEVICE IS POWERED BY TWO AGM BATTERIES

The advantages of such a solution:

- do not require constant maintenance or electrolyte replenishment
- the ability to work in various positions
- low temperature does not damage the housing due to an increase in the electrolyte
- glass fiber protects the electrolyte against shocks and vibrations, even at work in extreme field conditions
- higher terminal voltage and longer service life
- high current efficiency at high current discharges in a short time

Quiet work

Indoor and outdoor work

Electric power supply

ELECTRIC TRANSPORTER WAGON UR 600/ UR 800

TECHNICAL PARAMETERS

ELECTRIC TRANSPORTER WAGON UR 600

Model	UR 600
Power	rechargeable AGM
Charger	included
Lifting capacity	600 kg
Weight	ca. 250 kg
Width	ca. 85 cm
Drive	for one axle (optional 4x4)

ELECTRIC TRANSPORTER WAGON UR 600/ UR 800

PARAMETRY TECHNICZNE

TRANSPORTER ELEKTRYCZNY WAGON UR 800

Model	UR 800
Power	rechargeable AGM
Charger	included
Lifting capacity	800 kg
Weight	ca. 250 kg
Width	ca. 85 cm
Drive	4x4

ELECTRIC TRANSPORTER WAGON UR 600/ UR 800

THE DEVICE IS AS STANDARD

- pneumatic wheels
- two AGM batteries
- battery charge indicator
- two driving modes
- transport eyes for belts
- swivel wheels of one axle
- color to choose from
- limit switch
- ergonomically shaped non-slip handle
